

# Keeping it real ...

## HAVE A GO... CAN YOU BEAT THE MALLARD 126mph RECORD?

*Experience the thrill of driving OO scale Live Steam Engines with these OO scale masterpieces of model engineering - the Mallard and The Flying Scotsman.*

### THE OO LIVE STEAM CLUB

(Established 2011)

**THE OO LIVE STEAM CLUB WAS FORMED IN 2011 BY A TEAM OF DEDICATED RAILWAY MODELLERS WITH THE AIM TO BECOME A CENTRE OF EXCELLENCE FOR ALL OO LIVE STEAM LOCOMOTIVES, PARTS AND EQUIPMENT.**

**WHAT WE DO**

The OO Live Steam Club is a non profit organisation set up to provide FREE expertise and advice for all new or long term OO Live Steam locomotive owners. It is our belief that this brilliant live steam concept offers one of the most realistic model railway experiences available today and our main aim is to help keep these trains running efficiently so they can provide an exciting 'real world' railway experience for many years to come.

**THE OO LIVE STEAM ROADSHOW**

Our OO Live Steam Roadshows can be seen at the key model railway events each year and our full roadshow calendar available online at [www.OOLiveSteam.com](http://www.OOLiveSteam.com)

**WHY NOT JOIN US ... IT'S FREE!**

You can also become a OO Live Steam Club member by visiting online at [www.OOLiveSteam.com](http://www.OOLiveSteam.com) where you will have access to the latest updates, technical tips and tricks to keep your OO Live Steam loco's running efficiently, plus news, views and images from our various roadshow events.
